Subject: Brief Description about the products / services intend to sell online

Respected Sir

Simulation Lab Pvt. Ltd. is Independent and Open 'Scientific Research and Development' Center partnered by ANSYS Research-USA and sponsor by Dassault System-France, Zoho-India and Nvidia-USA.

We are not selling anything online. We are conducting online internship for which the registration fee has to be made online by the students (people). We be using your service to receive payment made by the students (people). Further, we might use your service to receive all the payment made by the students (people) replacing the offline mode.

Explanation of requirement:

1. Home Page. (Present)
2. About Us Page. (Present in 'Home' Page; can navigate to 'More Info' to see company registration details)
3. Product and Service Page (product/service pricing). (Not present as we are not selling anything online)
4. Terms and Conditions. (Present at footer – 'Online Payment T&C')
5. Privacy Policy. (Present at footer – 'Online Payment T&C')
6. Refund Policy (including mode and duration). (Present at footer – 'Online Payment T&C')
7. Cancellation and Return Policy (including duration). (Present at footer – 'Online Payment T&C')
8. Shipping and Delivery Policy (including duration). (Present at footer – 'Online Payment T&C')
9. E-commerce Flow and Incorporation (add to cart option). (Not present as we are not selling anything online)
10. Log-In and Register Tab. (Present at footer – 'Online Payment T&C')
11. Contact Us Page (including contact number, email ID and registered address). (Present)

The link for payment is not directly visible on website. Only the shortlisted students (people) will get payment link via. mail. Here's one of the them:

<https://www.simulationlab.in/ori-registration-and-document>

We are only intended to use your service to receive payment (fee) made by the students (people).

Thank You
